In light of the need for the school to consider distance learning in response to the Coronavirus threat, during these two weeks we are going to be working on the <https://goformative.com/> as well as the <https://www.zoom.us/> platform in order to support continued education in our community. The activities carried out on the platform during these days will be part of the daily work and homework that comprise the second partial of high school and the third partial of junior high school. Therefore, in order to maintain direct contact with the students, video calls using zoom will be scheduled on Mondays, Wednesdays and Fridays from 12:20 pm to 1.10 pm.

Students must be aware that in order to have a more precise control of the activities, a deadline will be established for each activity.
